ABOUT ASIAN BEER CAFE

Asian Beer Café aims to take you on a new and exciting experience every time you enter through the doors. It's all about the mix of authenticity and contemporary decor, with an emphasis on the details.

The atmosphere is honest and modern, and the furniture is simple and rich with tradition. All interior pieces are in a worn Asian style and feature 70 year old recycled materials, including the ironwood from an old cargo ship that was sunk by pirates off the coast of Indonesia.

You will discover classic pub favourites mixed with traditional East Asian flavours in our cuisine – we prepare our dishes with the freshest ingredients, with an Asian Beer Café twist.

Our balcony space is a Melbourne icon, featuring spectacular views over Swanston Street and of Melbourne's State Library – truly one of a kind.

Please note: dependent on the area booked, guests will be required to order drinks at the bar.
